5. Organic farming and animal husbandry

Items	Comments	THB	EUR	USD	AUD
Ground Cover Flexible Plastic membranes for one fishpond	There are two fishponds but no ground cover plastic membranes. So water oozes into the ground and fish cannot be raised.	25,000	660	700	935

6. Culture sensitive tourism & guest house

Items	Comments	THB	EUR	USD	AUD
Eight new huts for volunteers	Volunteers are an important contributor of knowledge and care for the children of Chiang Mai. In addition volunteers support the creation and maintenance of an environment suitable for the kid's needs through hands-on activities. The School possibly could not survive without the help, encouragement and input of volunteers. After ten years in service the current volunteer quarters start showing their age. To be able to attract volunteers and house them in a simple but adequate way new accommodation units are urgently needed. Especially corporate sponsors are encouraged to invest into an activity which guarantees an excellent return of investment for the School in the long term.	420,000	10,550	11,855	15,680
Improve lanes and steps at guest bungalows	Muddy and slippery at the moment, especially in the rainy season.	6,000	150	170	225

7. Body and soul

Items	Comments	THB	EUR	USD	AUD
Build raised stadium seating alongside the sports field	The school organizes regular sport and cultural events. Stadium seating is required for visitors.	100,000	2,500	2,820	3,735
Improve and repair outdoor sport facilities and construct water drain channel.	Soccer field is hard and topsoil is rich of gravel, and so it needs to improve. The concrete floors of volleyball and basketball fields have several long lines of cracks due to	470,000	11,830	13,265	17,545

	the earthquake. There are no water channels, and rain water flows across the sports fields which also damage the fields.				
Chain-link barrier wall between basketball field and football field.	The ball from football field disturbs the basketball players because the basketball field is next to the football field.	30,000	750	850	1,120
Fix solar floodlights to sports fields	The students can play only before dark. In winter, it is dark here at 6:00 in the evening.	500,000	12,580	14,111	18,665

8. Craftmens' work and maintenance

Items	Comments	THB	EUR	USD	AUD
An open hut with workbenches for workshop and maintenance	The school needs an open hut with workbenches for students to make handicraft, chairs, tables, etc. by using bamboo and wood.	50,000	1,260	1,411	1,865
Some hand tools and machine for handicraft with wood and bamboo	Drilling machine, a small lathe machine to cut wood round and, hacksaw machine, table work vises, etc.	100,000	2,500	2,820	3,735

Foreign currencies rounded, exchange rates March/Dec. 2016
